A central scene showing a group of men in shiny, scale-like green and gold jackets performing a dance move. They are behind a metal railing. One man is crouching in the center, while others stand behind him. The floor has green LED lights. The background is a graffiti-covered wall.

MOVEMENT  
MASTER

With dance moves and catchy lyrics that draw you further into this energetic entertainer's world. Expect to be glued to the screen engaging with great choreography, amazing innovative costumes, and an overall pleasant vibe that the song, video, and artist himself give off.

***African flavour mixed with the Best of British, that sweet kick of culture can be felt throughout.***

A sound to be felt and not just heard **Movement Master** is a fusion between the UK streets and West Afro culture.

Produced by rising star Henny On Da Beat, the song features the captivating tones of the West African percussion pieces - the Marimba and the Kalimba - as well as language commonly heard in his native country Sierra Leone.

#### **WHAT IS GUD MUSIC?**

I wanted to create something positive and powerful enough to move the spirit. **(Good i.e. the power to inspire + God i.e. the power to create = GUD)**

Its main annotations 'Get Up & Dance... Great, Unique, Different' define a mindset and a positive bit of energy I wanted to put out into the world. It's a way of life... It stands for you, its stands for me, its stands for us, and it recognizes hope.

*"See I might say Kushe, Cause I'm a Salon Borbor, Then alright mate, Cause I'm London born, It's that UK to Afro flow I'm a super hybrid I'm best of both"*

***"I am the Movement Master, I make the tempo faster, I bring the ENERGY ENERGY - I bring the STAMINA STAMINA!!..."***
